Houston, TX – 713.353.2005

Allison Jones devotes her practice to the defense of personal injury and wrongful death claims arising from the loading and operation of cars, vans, trucks, and tractor-trailers for a major national e-commerce client. She brings focused, purposeful advocacy to every matter, tailoring her approach to each client's unique litigation goals.

Prior to Wilson Elser, Allison worked at a litigation firm in Houston, Texas, where her focus was defending insurance companies and employers against workers' compensation claims related to injuries on U.S. military bases and U.S. government contracts. This valuable, specialized experience informs Allison's litigation style and strengthens all aspects of her client representation.
