

## Carol N. Disla-Roa

Associate

[carol.disla-roa@wilsonelser.com](mailto:carol.disla-roa@wilsonelser.com)

Madison, NJ – 973.735.1501

Carol N. Disla-Roa represents businesses and individuals in all aspects of civil litigation. Her practice focuses on the defense of claims related to general liability, automobile liability and premises liability, as well as transportation liability matters involving rideshare technology platforms.

Prior to joining Wilson Elser, Carol served as a Legislative Fellow for the New Jersey Law Revision Commission, where she focused on reviewing New Jersey statutes and case law, conducted research and public outreach, and drafted recommendations for changes to statutory language to determine if an area of the law could benefit from revision or clarification. During law school, Carol was a student attorney in the Health Justice Clinic, where she represented clients in eviction proceedings and matters involving disability benefits.

### Education

- Seton Hall University School of Law (J.D., 2023)
  - Health Justice Clinic

- Rutgers University–Newark (B.A., *magna cum laude*, 2020)
  - HLLC Scholar

### Bar Admissions

- New Jersey

### Languages

### Services

- Insurance & Reinsurance Defense

- Spanish

## Client Wins

### **Disla-Roa Secures Trial Win for Airline Carrier Client**

Carol Disla-Roa (Associate-Madison, NJ) secured a Special Civil Part trial win for Wilson Elser's airline carrier client in the Superior Court of New Jersey, Cumberland County. Through clear and persuasive advocacy, Carol highlighted the deficiencies in the plaintiff's claims and demonstrated why the complaint could not survive under the applicable legal standards. The court dismissed the plaintiff's complaint for failure to state a claim upon which relief could be granted. In reading his decision on the record, the judge emphasized that the plaintiff's claim lacked credibility and that she failed to provide sufficient proofs to establish a prima facie case of negligence or a viable breach of contract claim.
