Wolfberg Obtains Summary Judgment in Auto Vehicle Death Case

Daniel B. Wolfberg (Of Counsel-Los Angeles, CA) secured a summary judgment for a vehicle owner in Superior Court of California, County of Orange. The plaintiffs (mother, father, and sister of the decedent) sued our client after the decedent took our client's car without authorization and then crashed and died in that car. The plaintiffs blamed the decedent's passing on our client and on a personal car-sharing platform for allegedly allowing plaintiffs' decedent to drive the car.
