Hartford, CT – 860.969.8664

Eric Eddy handles complex tort matters and cases involving catastrophic injuries and large losses. Eric's practice also includes defending professional liability claims, including medical and dental malpractice.

Eric has more than 21 years of experience including trying cases to verdict in state and federal court. He is accomplished in conducting expert depositions in personal injury, intellectual property, wrongful death, products liability and construction litigation matters; briefing and arguing dispositive motions; and coverage analysis. Eric has argued before the Connecticut Appellate Court.

In addition, Eric has extensive experience litigating complex personal injury, intellectual property, product liability and defective construction claims. He also has extensive experience in multi-party mediations involving multimillion-dollar construction claims and wrongful death actions.

### **Professional Liability**

Throughout his career, Eric has represented architects, engineers and doctors in numerous professional liability matters involving claims in excess of a million dollars. Many of these claims involved large commercial and residential construction projects as well as medical malpractice claims concerning significant physical injuries.

### **Catastrophic Loss / Wrongful Death**

Eric has defended numerous catastrophic loss /wrongful death claims throughout his career, including dram shop actions, death claims stemming from faulty construction and pharmaceutical cases involving claims of drug overdose.

### **Product Liability / Asbestos**

Eric also has extensive experience litigating product liability matters, including many multi-
