Madison, NJ – 973.735.1654

Giannina Maselli represents established businesses, insurance carriers, and individuals in all aspects of civil litigation. She focuses on insurance defense and general liability, with particular emphasis on premises liability, automotive liability, construction defects, and product liability.

Giannina has extensive experience managing high-volume caseloads and handling every stage of the litigation lifecycle, from initial case evaluation to final resolution. Beyond her general liability practice, Giannina has provided strategic counsel to corporate leadership and claims adjusters on complex employment and labor law matters, including federal discrimination suits, fraud, and ERISA claims.

Before joining Wilson Elser, Giannina served as a trial attorney for a national insurance carrier, negotiating global settlements and managing complex litigation for bodily injury and personal injury protection claims. Her litigation foundation was built over more than five years as an Assistant Public Defender in Miami, during which she conducted numerous trials and depositions, including highly technical examinations of expert witnesses in specialized forensic fields.
