

Lawrence Zhiyi Wang

Of Counsel

lawrence.wang@wilsonelser.com

White Plains, NY – 914.872.7471
New York, NY

Lawrence Wang represents institutional and private clients in complex product liability litigation, commercial disputes, cross-border M&A, joint venture and business transactions.

Larry defends leading brands in the telecom, consumer electronics, home appliance, retail and medical device sectors in product liability litigation and product recalls. He also specializes in complex contract disputes, business torts, shareholder disputes, intellectual property infringement and other disputes arising from investment, M&A and other business transactions.

Larry also has extensive experience in mergers and acquisitions. He leads complex cross-border M&A projects and assists clients in accomplishing their strategic goals. Larry is experienced in assisting foreign companies doing business in the United States and navigating the ever-changing legal landscape. He advises corporations, ranging from startups to public companies, on their corporate, compliance, employment, tax, intellectual property, sales and distribution matters. Larry also advises large cryptocurrency miners in their relocation and expansion in the United States through a series of corporate and business transactions.

Educated and qualified in the United States and China, Larry is in a unique position to assist clients in navigating complicated legal and regulatory issues involving multiple jurisdictions. A problem solver and a lawyer with keen business acumen, Larry has creatively approached issues and disputes, finding winning resolutions and achieving favorable outcomes for his clients. Whether large or small, Larry's clients appreciate that he always takes time to understand their business and strategic goals before delivering value in a cost-effective fashion.

Larry believes in the power of technology and follows the development of Artificial
