San Francisco, CA – 415.625.9309

Lisa Lazarus is an experienced civil litigator, representing corporations in all aspects of complex litigation. Lisa specializes in toxic tort (talc and asbestos litigation) and product liability matters. Clients entrust Lisa to provide them with strategic solutions and strategies to guide them through all phases of litigation.

Lisa has deposed hundreds of plaintiffs, percipient, and expert witnesses, and has successfully argued dispositive motions resulting in dismissals for her clients. She works closely with clients to ensure each case is litigated in a manner that is focused and efficient.
