Las Vegas, NV – 702.727.1272

Mike Stoberski has significant litigation and trial experience in the areas of professional liability, transportation, premises liability, product liability and construction. Mike has tried more than 30 jury trials to verdict and more than 35 bench trials to verdict.

Real Estate Professionals

Mike is regarded as an authority in defending real estate professionals. He has represented real estate brokers and licensees in litigation, as well as administrative, licensure and disciplinary matters. Mike also has defended appraisers, home inspectors and surveyors. He has handled real estate transactional matters, having served in the capacity as counsel to developers, landlords, tenants, buyers, sellers, borrowers and lenders.

Lawyers Liability

Mike represents attorneys and has defended numerous legal malpractice cases, litigating a wide variety of issues. Mike also has lectured on risk management practices for professionals.

Premises Liability

Mike has defended numerous property owners in various cases involving injuries and wrongful deaths occurring on their property.

Transportation

Mike has defended trucking companies, hospitality transportation companies, ride-sharing companies and construction companies. He created and implemented an accident response program for a construction materials and concrete ready-mix company, facilitating the response and investigation of many trucking accidents, including fatalities. Mike used his transportation experience to assist an autonomous vehicle company with setting up its nationwide emergency response protocol for vehicle incidents, and

collaborated in drafting and establishing programs for reporting incidents internally and with governmental agencies. Mike has responded to and investigated numerous incidents involving autonomous vehicles, and he is considered to be one of a handful of attorneys nationwide with experience in handling the defense of autonomous vehicles.

Construction

Mike has significant experience in construction defect cases and has defended national class action construction defect matters. As counsel for developers, general contractors, subcontractors, material suppliers, homeowners and design professionals, Mike has a unique perspective in handling construction matters and has lectured many times on construction topics. Mike also has personal experience in development, having been intricately involved in the acquisition of land and development of an office park and construction of his former law firm's office building.

Product Liability

Product liability defense has been a large part of Mike's practice. Mike was a member of The Dow Chemical Silicone Gel Breast Implant Litigation Team, and was involved in the defense of multiple mass tort pharmaceutical product matters. He has defended asbestos matters, tobacco and second-hand smoke class action cases, as well as automobile and component part manufacturers. Mike has represented industrial equipment manufacturers and distributors. He has defended patent infringement cases for various products as well as trademark violation matters.
