Representative Matters

Managed litigation dockets of product liability and environmental matters for institutional clients.

Represented medical device companies in both regulatory and litigation matters in state and federal courts.

Represented clients in high-value premises liability workplace injury/death cases.

Represented automotive companies in high-risk litigation matters, including toxic exposure cases.

Represented Class 1 railroad in litigation and environmental matters.

Represented clients from the energy, mining, chemicals, and other industries on environmental matters in the regulatory and litigation contexts, including TSCA, RCRA, CERCLA, and various state statutes.

Provided counsel to non-U.S. companies on environmental and medical device issues.

Assisted clients with environmental permitting issues, including NPDES and Title V operating permits.
