New York, NY – 212.915.5708

Roberto Caruso defends construction management and airport ground handling companies, major technology services firms and product manufacturers in numerous claims ranging from labor law, commercial automobile liability, product liability, breach of contract and subrogation, to insurance and indemnification claims. Roberto was one of 20 nominated finalists who successfully completed Wilson Elser's rigorous Mock Trial Invitational through which our most successful trial lawyers impart their knowledge to those destined to join their ranks.

Roberto also is experienced in the defense of commercial and general aviation aircraft engine and component manufacturers in high-exposure personal injury and wrongful death claims, and in handling insurance claims and coverage disputes arising under commercial general liability policies.
