Los Angeles, CA – 213.330.8812

Tomas De Jesus concentrates his practice on construction litigation and general liability, matters, including construction defect, personal injury, premises liability, wrongful death, discrimination, product liability, and major industrial accident claims. He handles cases through all phases of litigation, from initial investigation and discovery through trial preparation. Tomas has extensive experience taking and defending depositions, developing litigation strategy, drafting and arguing motions, and preparing cases for resolution through trial, mediation, and settlement.

Before joining Wilson Elser, Tomas worked as a tax consultant at a Big Four consulting firm, where he provided strategic tax solutions to complex corporate entities.
